

FAQS FOR CABE MALAYSIA INTERNATIONAL CONFERENCE 2022

ORGANISED BY CABE MALAYSIA CHAPTER IN COLLABORATION WITH LIGHTHOUSE CLUB KL

PLATFORM PARTNER: L2 i-CON

1. What is CABE Malaysia International Conference 2022 about?

CABE Malaysia International Conference with the theme “Overcoming Adversity in the Built Environment” organised by the Chartered Association of Building Engineers Malaysia Chapter in collaboration with the Lighthouse Club Kuala Lumpur to be held virtually on 6-7 May 2022. The conference will take place via zoom online platform in view of the ongoing covid concerns.

The building industry is in the midst of a major revolution. In the age of globalisation and digital transformation, CABE Members and interdisciplinary professionals or practitioners need to keep pace with the new ways of regional practice, develop and explore new technique that help them succeed in the modern era.

Themed “Overcoming Adversity in the Built Environment”, the virtual conference will serve as a hub and reflect on our work as building professionals in the digital era, the implications of technological transformation in the construction industry, how to foster new and innovative elements to embrace the shifting building engineering landscape that provides different insights and perspectives to the participants to help them get success in the professions.

We are bringing together renowned professionals, seasoned practitioners, policy-makers, academics and educators, as well as other interested stakeholders to share their experience and discuss common challenges and best practices in the field. The conference will be a great opportunity for us to learn some of the most pressing issues currently facing us and how we cope with them and engage in them lively.
