ABOUT THE CONFERENCE

CONSTRUCTION CLAIMS AND ADR CONFERENCE VIRTUAL MARATHON 2025

25 SEPTEMBER |  zoom

The 12-Hour Virtual Marathon Returns!

In response to strong demand from industry stakeholders, the Construction Claims and ADR Conference Virtual Marathon returns in 2025.

Following the success of the inaugural 12-hour marathon in 2021 and its revival in 2024, this virtual conference continues to serve as a dedicated platform for construction and dispute resolution professionals across the region. Designed for accessibility, the online format allows participants to join from any location—on site, in the office, or remotely.

The 2025 edition will once again bring together thought leaders and practitioners for a full-day exchange of insights, developments, and practical strategies relevant to the evolving construction and ADR landscape.

ABOUT THE ORGANISERS

Legal Plus was set up in 2014 by YA Bhg Tun Zaki Azmi, Chief Justice of the Dubai International Financial Court in United Arab Emirates (UAE) and retired Chief Justice of Malaysia as Chairman, YBhg Tan Sri James Foong, Chairman of Ombudsman for Financial Services and retired Federal Court Judge, Malaysia and Ms Catherine Eu, retired Executive Director of the Bar Council, Malaysia as Directors. The main objective of Legal Plus is to provide continuing professional training, public seminars and events pertaining to legal issues and legal compliances for various professions, trade, industries and enterprises. For more information on Legal Plus, please visit www.legalplus.com.my

L2 i-CON International is a dynamic and strategic platform dedicated to organizing global professional events aimed at fostering growth and facilitating networking opportunities. Founded by Lam Wai Loon of Harold & Lam Partnership and Leong Hong Kit of MAC Consultant, our company brings together a wealth of experience and expertise. Spearheaded by our director, Cindy Wong, we are proud to be a powerhouse in the industry, successfully organizing numerous groundbreaking events since 2020. With an impressive track record, we have not only facilitated the growth and expansion of our community internationally but also emerged as a driving force in connecting professionals worldwide. With a commitment to excellence, L2 i-CON International serves as a catalyst for meaningful connections, business development, and impactful global engagement. For more information about L2 i-CON International, please visit www.L2icon.org

PROGRAMME

MYT/GMT +8

9:00	Login
9:10	Welcoming Remarks
9:20	Keynote Address
9:40	Special Address
9.55	Session 1:
9.55	Lecture 1.1: Importance and Impact of Notice Requirements in Construction Contract
10.15	Lecture 1.2: The Principles of Estoppel in Construction Contract
10.35	Lecture 1.3: Roles of the Contract Administrator in Construction Contract
10.55	Q&A: Construction Contract and Project Management
11:25	Session 2: Termination of Construction Contract – Rights, Obligations and Consequences

KEYNOTE ADDRESS

JUSTICE DATO' LEE SWEE SENG

Federal Court Judge of Malaysia

Justice Dato' Lee Swee Seng graduated with a Bachelor of Laws (Hons) degree from University of Malaya and obtained his Master of Laws from the same university. He also holds a MBA degree from University of Southern Cross, Australia. Justice Dato' Lee was called to the High Court of Malaya in February 1985 and was in active legal practice until May 2010 when he was appointed a Judicial Commissioner of the High Court of Malaya. He was made a Judge of the High Court of Malaya in 2014 and elevated to the Court of Appeal on 8 August 2019 and recently to the Federal Court on 20 May 2025. Prior to his elevation to the Federal Court, Justice Dato' Lee sat in the Commercial and Civil Divisions of the High Court in Kuala Lumpur and also presided in the specialist Construction Court in the High Court at Kuala Lumpur from 2016 to August 2019 where he heard construction cases as well as those involving enforcement and setting aside of arbitral awards as well as adjudication decisions. He was involved in the early exposition of the law of construction adjudication through his many decisions on cases that came before the Construction Court since the implementation of the Construction Industry Payment and Adjudication Act 2012 that came into force on 15 April 2014. He was also the Chair of the Construction Panel of the Court of Appeal before his elevation to the Federal Court. Justice Dato' Lee was a visiting Fellow of Taylor University Law School and a part-time lecturer with the Law Faculty of his Alma Mater for the LLM Masters Programme. He is also an Elite Fellow with the Law Faculty of University of Malaya. Justice Dato' Lee is a trained advocacy trainer with Bar Council Malaysia and is a certified mediator with the Malaysian Mediation Centre before joining the Bench. He also achieved the highest award in the Toastmasters International as a Distinguished Toastmaster. Justice Dato' Lee was the General Editor of the Law and Practice of Family Law in Malaysia published by Sweet & Maxwell in 2019 and currently a committee member of the Court-Annexed Mediation Committee of the Malaysian Judiciary.

SPECIAL ADDRESS

OLIVER WEE HIANG CHYN

President,
Master Builders Association Malaysia (MBAM)

Oliver H.C. Wee is the President of the Master Builders Association Malaysia (MBAM), with over 40 years of experience in the construction industry. Actively serving MBAM since 1994, he also sits on the Board of the Construction Industry Development Board Malaysia (CIDB) and served on the Board of Construction Labour Exchange Berhad (CLAB) from 2020 to March 2025. He is a member of the Panel of Experts under the Local Government Development Ministry, the Council of Experts under the Government-Industry TVET Coordination Body (GITC), and an Advisory Member for the CIDB Construction Law Report. Wee serves as a jury panelist for numerous industry awards and writes a monthly column in The Edge on construction industry issues. In 2023, he received the CIDB Fellowship Award. He is an empanelled mediator with both AIAC and CIDB and is the founder of the MBAM Mediation Service. Since November 2024, he has served as a Panel of Experts member at the Borneo International Centre for Arbitration and Mediation (BICAM), further expanding his role in alternative dispute resolution within the regional construction and infrastructure sector. Internationally, he is a Board Member and Chairman of the Conditions of Contracts Committee at the International Federation of Asian and Western Pacific Contractors' Associations (IFAWPCA), its Ambassador to FIDIC, and a Board Member of the ASEAN Constructors' Federation. He also serves as an International Mediator for the CHINCA Mediation Centre. In July 2023, he was appointed as a Committee Member of the Regional Comprehensive Economic Partnership (RCEP) Industry Cooperation Committee under the China-ASEAN Business Council (Antarabangsa), contributing to regional industrial collaboration and integration. He continues to hold various past and current leadership roles within national and international construction bodies.

CLOSING REMARKS

Sr WAN AINON ZURAIHA KHALID

President,
Royal Institution of Surveyors Malaysia (RISM)

Sr Wan Ailon Zuraiha Khalid is the President of Royal Institution of Surveyors Malaysia (RISM). She is a practitioner with 33 years of working experience as a consultant Quantity Surveyor. She received her degree in quantity surveying from the University of Salford, UK and subsequently obtained a Post Graduate Diploma in Arbitration from College of Estate Management, UK and the Certificate of Adjudication by KLRCA/AIAC. She founded a QS practice in 2000 in the name of A I Konsult with offices in Kuala Lumpur and Penang. Her practice in Kuala Lumpur combines quantity surveying, architecture and interior design under one roof. She demonstrates extensive leadership within key professional bodies locally and internationally including RISM, the Board of Quantity Surveyors Malaysia, Association of Consultant Quantity Surveyors Malaysia, Pacific Association of Quantity Surveyors and many more. She provides consultancy and contributes significantly to the advancement of the construction and surveying profession. As an active RISM member, she was involved with CIDB in setting up the Building Cost Information Services Malaysia (BCISM) Sdn Bhd to operate the National Construction Cost Centre (N3C).

Allen Cheng
Partner,
Azman Davidson & Co.

Session 1

Lecture 1.1

Importance and Impact of Notice Requirements in Construction Contract

Jocelyn Lim
Partner,
Mah-Kamariyah & Philip Koh

Jocelyn's dispute resolution practice includes construction and engineering related matters, as well as real estate disputes. She has acted for a wide array of clients, including project owners, main contractors, consultants, sub-contractors and suppliers, in court, arbitration and adjudication proceedings. She also advises on a wide range of projects, including rail, airports, power plants, hospitals and other public infrastructure projects, data centres and commercial and residential building projects. Jocelyn is also experienced in reviewing and drafting of contracts and is well-versed with all major standard forms of construction and consultancy contracts. She advises clients on a wide range of bespoke contracts. In addition, Jocelyn sits as an arbitrator and is on the panel of arbitrators of, among others, the Asian International Arbitration Centre (AIAC) and the Reserve Panel of Arbitrators of the Singapore International Arbitration Centre (SIAC). She also sits as an adjudicator, and she is an accredited mediator. She has been recognised by Asian Legal Business as one of Malaysia's Rising Stars in 2022.

Lecture 1.2

The Principles of Estoppel in Construction Contract

Balan Nair Thamodaran
Partner,
Lavania & Balan Chambers

Balan Nair Thamodaran is an experienced litigation and arbitration lawyer. He was admitted to the Malaysian Bar in 2005 and holds a Master's Degree from Queen Mary University, London, specialising in International Arbitration & Construction Law. He primarily handles disputes relating to construction, energy and engineering law. Balan regularly advises and acts for clients in a variety of construction and energy related disputes, including construction adjudication, arbitration (domestic and international) and litigation. He has experience advising and dealing with disputes relating to major standard form contracts such as PAM, PWD, CIDB and FIDIC, as well as bespoke contracts.

Session 1

Lecture 1.3

Roles of the Contract Administrator in Construction Contract

Sr Yow Kah Lun

Chief Executive Officer,
Plus Three Consultants

Sr Yow Kah Lun is a Chartered Quantity Surveyor with over 20 years of experience in the building and infrastructure sectors across Malaysia and the Middle East. He holds a Master's degree in Construction Contract Management and is a Fellow of the Royal Institution of Chartered Surveyors. Kah Lun is also a member of the Royal Institution of Surveyors Malaysia, the Chartered Institute of Arbitrators and a certified Project Management Professional. In addition, he is an RICS-accredited mediator, empanelled with both the Asian International Arbitration Centre and the Korean Commercial Arbitration Board. As CEO of Plus 3 Consultants, a specialist construction claims consultancy, he leads operations across the Asia Pacific region, with offices in Malaysia and Hong Kong. He plays a key role in strategic partnerships with CCR (Australia) and Quantum Global Solutions (Qatar). Kah Lun is recognised for his expertise in construction claims and dispute resolution. He regularly shares his knowledge through talks and industry events, contributing to the advancement of best practices in the construction industry.

Q&A

Construction Contract and Project Management

Andrew Heng

Senior Partner, Zain Megat & Murad
and Director, ESG ADR Forum

Moderator

Andrew Heng is a Senior Partner at Zain Megat & Murad (ZMM), where he leads the Construction & Energy Practice Group. He provides comprehensive litigation and advisory services to clients across various sectors, including construction, infrastructure, renewable energy, environmental, banking and insurance, property development, and manufacturing. Andrew represents clients in a wide range of construction disputes through arbitration, adjudication, and court proceedings. His expertise covers applications under the Arbitration Act 2005 and the Construction Industry Payment and Adjudication Act 2012, as well as restraining demands on performance bonds and handling construction-related tortious claims, such as professional negligence, occupiers' liability, nuisance, and trespass. Andrew has experience managing disputes related to complex infrastructure projects, including airports, highways, rail systems, waste-to-energy plants, large-scale solar facilities, solid waste treatment plants, wastewater treatment facilities, and electrical transmission towers. In addition, he advises both international and local clients on compliance of regulatory requirements set by the Construction Industry Development Board (CIDB). Andrew is empanelled as an arbitrator and adjudicator with the Asian International Arbitration Centre (AIAC) as well as a mediator with the Malaysian International Mediation Centre (MIMC). He is also a founding member of the ESG ADR Forum's Steering Committee, serving as the Director of its Professional Advancement and Community Engagement (PACE) Initiative. Andrew holds a Bachelor of Law from the University of London and a Master of Law from the University of Northumbria. He was called to the Bar of England and Wales in 2006 and subsequently to the Malaysian Bar in 2008. He is also a Fellow of the Chartered Institute of Arbitrators.

Session 2

Panel Discussion

Termination of Construction Contract - Rights, Obligations and Consequences

Ooi Wei Qian

*Founder and Principal,
The Chambers of Ooi Wei Qian*

Moderator

Ooi Wei Qian is the Founder and Principal of The Chambers of Ooi Wei Qian, a legal practice focusing on arbitration, construction law, and commercial dispute resolution. Prior to establishing chambers, Wei Qian served as Senior Case Counsel at the Asian International Arbitration Centre (AIAC), managing over 900 cases across arbitration, adjudication, mediation and domain name dispute resolution. She was a Task Force Member for the reform of the Arbitration Act 2005 and CIPAA 2012, and served as the Secretariat to the Protem Committee of the AIAC Court of Arbitration, playing a key role in its establishment. She regularly speaks at industry conferences on behalf of the AIAC, mentors junior colleagues, and contributes to professional publications of AIAC.

Sudhar Thillainathan

*Partner,
Adnan Sundra & Low*

Sudhar is the Head of General, Civil, Commercial Litigation & Commercial Arbitration at Messrs Adnan Sundra & Low and a founding member of Nine Arbitration Chambers (Singapore), an independent Arbitration and Mediation Chambers. With nearly 30 years of experience in commercial dispute resolution, he handles complex, high-value litigation and arbitration across diverse industries, often involving cross-border issues.

Satinder Singh Sandhu

*Managing Partner,
Sandhu & Co.*

Mr. Satinder Singh Sandhu is an Advocate of the High Court of Sabah & Sarawak, with over 22 years of legal experience. He holds a Specialist Master's in Construction Law (Hons) from the University of Auckland, New Zealand, and specializes in commercial litigation, particularly in construction, company law, contracts, insolvency, negligence, and property disputes. He is a panel Adjudicator with AIAC and AIADR, a panel Arbitrator with BICAM, where he also sits as an Expert Pane. He has been appointed as an adjudicator and arbitrator in various disputes, and regularly acts as counsel in construction projects across West Malaysia, Sabah, and Sarawak. Beyond litigation, Mr. Satinder is actively engaged in drafting and advising on construction contracts for infrastructure projects including roads, hydro-power facilities, telecommunications, and other large-scale developments. He also provides corporate legal advisory services to listed and private companies. In mediation, Mr. Satinder is an accredited mediator with the High Court of Sabah & Sarawak, an Evaluative Mediator with RICS, and a panel Mediator for AIAC and AIADR.

Session 2

Panel Discussion

Termination of Construction Contract - Rights, Obligations and Consequences

Wilson Ho

Partner,
Ho Partnership & Neoh

Wilson Ho is an experienced lawyer specialising in complex disputes relating to construction, corporate, and insolvency matters. He is a Partner at Ho Partnership & Neoh, a law firm he co-founded in 2017. He acts in both contentious and non-contentious work, representing clients at all levels of Court and in arbitration and adjudication proceedings. Recognised as one of LexisNexis® 40 UNDER 40 2024 Southeast Asia's rising stars, Wilson has been commended by both clients and opponents for his "convincing and practical solutions" and "strong advocacy skills," including securing success in disputes exceeding RM100 million. Wilson is empanelled as an Arbitrator with leading arbitral institutions, including the Asian International Arbitration Centre (AIAC), Malaysian Institute of Arbitrators (MIArb), Asian Institute of Alternative Dispute Resolution (AIADR), Asia Pacific International Arbitration Chamber (APIAC), and Borneo International Centre for Arbitration and Mediation (BICAM). He also serves as an Adjudicator and Mediator with the AIAC and AIADR, and regularly appears as counsel and sits as an adjudicator under the Construction Industry Payment and Adjudication Act 2012 (CIPAA 2012). Wilson is a regular speaker at industry events, having featured at the Construction Claims and ADR Conference Marathon 2024, Borneo ADR Week 2024, the Construction Claims & CIPAA Conference Malaysia 2023, and the recent "Waze Your Way Through CIPAA" workshop.

Christine Lay

Partner,
Abang & Co

Christine Lay is a Partner at Abang & Co, a full-service boutique law firm with a focus on commercial, construction, corporate law as well as projects and energy. She focuses on commercial and corporate litigation, as well as domestic and international arbitration. Her practice encompasses a wide range of disputes, including those involving company and insolvency law, corporate rescue mechanisms, construction, engineering and land-related matters. As recognised by asialaw, client has shared that Christine is "very responsive and helpful throughout my engagement...". She currently serves as a General Director on the Board of the International Women's Insolvency & Restructuring Confederation (IWIRC) Malaysia, and is an active contributor to the restructuring and insolvency space, as well as the development of alternative dispute resolution (ADR) in the region.

Session 3

Lecture 3.1

Use of AI and Technologies in Construction Project Management

Jamie Duncan

Managing Director,
ACTUS Construction
Claims & Disputes

Jamie Duncan is a seasoned real estate professional with over two decades of experience driving transformative projects across the Middle East and Southeast Asia. Jamie is Managing Director of Savills Projects Malaysia, Managing Director of ACTUS Construction Claims & Disputes and President of the Lighthouse Club Kuala Lumpur. Jamie leads multidisciplinary teams in delivering high-impact solutions for commercial, hospitality, industrial and mixed-use developments. His strategic oversight has shaped landmark initiatives within Malaysia and the surrounding region. Jamie is also actively involved in the claims and disputes sector via the ACTUS entity and is a testifying expert in quantum and delay. Known for his collaborative leadership and deep market insight, Jamie is a passionate advocate for AI in Project Management, and driving the construction industry forward via sustainable urban growth. Jamie's dynamic approach and proven track record make him a sought-after voice in the region's evolving property landscape."

Lecture 3.2

Managing SST in Construction Contract

S. Saravana Kumar

Partner,
RDS Partnership

S. Saravana Kumar is a partner of RDS Partnership, a leading Malaysian law firm, where he heads firm's Tax, SST & Customs practice. Saravana has appeared in benchmark litigations with a sizeable volume of wins in tax disputes. He is recognised as one of the leading lawyers in Malaysia by various legal rankings. Saravana was also named as one of the 100 leading lawyers in Malaysia by Asia Business Law Journal in 2024. Legal 500 commented that 'Saravana Kumar is an outstanding tax lawyer with an impeccable track record. His arguments and strategies are courageous and groundbreaking. He is not only knowledgeable and up to date but also humble and polite. Highly recommended tax lawyer.' Saravana chairs the Taxation & Customs Committee of LAWASIA and also serves as a Trustee of the Malaysian Tax Research Foundation, which is an independent body dedicated for the promotion, encouragement and advancement of tax research in Malaysia. Saravana was also formerly an Adjunct Professor with Universiti Tenaga Nasional (UNITEN) for nearly 10 years.

Session 3

Lecture 3.3

Strategic Considerations in Construction Contract Negotiation

Lynnda Lim

Managing Director,
REX C Expert & Dispute
Services

Lynnda is the Managing Director of Rex C Expert & Dispute Services Sdn Bhd, a dispute resolution professional qualified both in technical and law, with over 20 years of experience in the construction industry. She is accredited across multiple roles in Expert Witness, Chartered Quantity Surveyor, Chartered Construction Manager, Arbitrator, Adjudicator, Mediator. She was an Accredited NEC3 Project Manager. Lynnda actively acts as a delay and quantum expert witness in arbitration and court. She leads and manages dispute resolution proceedings, including the review and drafting of claims, adjudication/arbitration submissions. Lynnda also provides expert advisory advice on matters related to delay, extension of time, variation, defects including dispute services across the APAC region, including Australia, Singapore, United Kingdom, Hong Kong, China, Vietnam and Malaysia.

Q&A

Construction Contract Negotiation and Management

Adrian See

Managing Partner, Belden and
Member, ESG ADR Forum

Moderator

Adrian is the Managing Partner of Belden Advocates & Solicitors, a boutique legal practice specialising in construction & engineering dispute resolution. He is an accredited AIAC, THAC and AiADR arbitrator, AIAC panel CIPAA adjudicator, mediator and a Fellow of CIArb, MIArb and AiADR. Adrian focuses on the construction, engineering, oil and gas, energy and utilities industries. His practice area involves contract drafting, handling claims and disputes in the construction, engineering and energy sectors as well as servicing these clients' needs when they have industrial relations disputes. Adrian also provides on-project legal advisory and works seamlessly with claims consultants on claims management and early dispute avoidance initiatives. He has appeared at all levels of the Malaysian court system, and in domestic and international arbitrations. Adrian's expertise includes other forms of dispute resolution such as adjudication, mediation, expert determination and early neutral evaluation. Adrian's notable cases include acting for contractors in high-value projects such as the KL main sewerage pipeline project, design, fabrication and installation of specialised steel and sub-sea structures, mixed development projects, professional fee claims and installation of high-voltage distribution lines.

Session 4

Lecture 4.1

Subcontractor's Rights to Direct Payment from the Principal under Section 30 of CIPAA

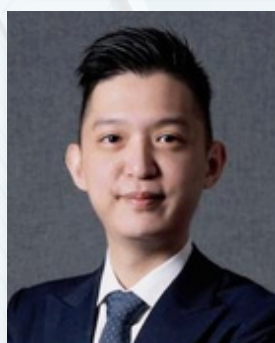

Oliver Chin Wy Hong
Partner,
KJ Chan Associates

Oliver Chin advises businesses on resolving complex payment and contractual disputes with a strong emphasis on practical, commercial outcomes. His work spans court proceedings, arbitration, and adjudication under the Construction Industry Payment and Adjudication Act 2012 (CIPAA), where he has acted in numerous high-value matters. With significant experience in the construction and engineering sector, Oliver combines legal expertise with industry insight to help clients achieve timely and effective resolutions.

Lecture 4.2

Stay of CIPAA Adjudication Decision

Leong Chee Weng
Partner,
Lee & Poh Partnership

Leong Chee Weng is a Partner in the Construction & Engineering, Energy Practice Group at Lee & Poh Partnership, Kuala Lumpur. Recognised as a Future Star in Construction by Benchmark Litigation Asia-Pacific for three consecutive years (2023–2025), he is a trusted disputes lawyer in Asia's construction and energy sectors. Called to the Bar of England & Wales and the High Court of Malaya, Chee Weng acts for local and international clients, including from China, the USA, and Italy, in disputes against major Korean and Japanese corporations. His work spans high-value claims involving large-scale solar photovoltaic plants, the Malaysian Light Rail Transit system, mixed-use developments, airport fuel hydrant pipelines, and waste treatment plants. He represents clients at all levels of the Malaysian courts, as well as in arbitration, mediation, and statutory adjudication under CIPAA. He also advises on construction contracts, project delivery strategies, and negotiations, supporting clients through the full project life cycle. An active speaker at regional conferences, he co-authored the Malaysian chapter of Force Majeure and Hardship in the Asia Pacific Region (JURIS), contributed to the Malaysian Civil Procedure (White Book), and served on the editorial board of Standard Form of Building Contracts Compared (LexisNexis).

Session 4

Lecture 4.3

Winding Up a Company Based on Adjudication Decision

Foo Joon Liang

Partner,
Gan Partnership

Joon Liang is a partner of Gan Partnership, a firm he co-founded in 2011. He is a Fellow of the Chartered Institute of Arbitrators, United Kingdom, (CI Arb), Fellow of the Singapore Institute of Arbitrators (SI Arb), and Fellow of the Hong Kong Institute of Arbitrators (HKI Arb). Joon Liang is the Past Chairman of the Malaysian Branch of CI Arb. He sits on the panel of arbitrators and adjudicators of the Asian International Arbitration Centre and is appointed to the panel of arbitrators of the Hainan International Arbitration Court. He sits on the Securities Industry Dispute Resolution Center's panel of Adjudicators. He is a member of the ICC Malaysia Arbitration Committee. Who's Who Legal says that "Foo Joon Liang has impressive experience in high-value construction disputes across litigation and arbitration proceedings." He is ranked as a Litigation Star in Construction, by Benchmark Litigation and is ranked in the Chambers Asia Pacific 2023 Dispute Resolution: Construction. In recent years, Joon Liang's focus has increasingly been in engineering related incidents in construction projects. Amongst the more notable matters that he was involved in include the highly publicised failure of a hill slope in Penang, Malaysia, a bridge collapse in the Klang Valley involving bridge experts from Asia and Europe.

Lecture 4.4

Conditional Payment Clause under Section 35 of CIPAA (Latest Updates)

Karen Ng Gek Suan

Partner,
Karen, Mak & Partners

Karen Ng Gek Suan is a Partner of Karen, Mak and Partners. She is a Building & Construction lawyer based in Kuala Lumpur. She advises on building & construction contracts and represents clients in all tiers of Courts, Arbitrations, Adjudications and Royal Commission of Enquiry Proceedings. Karen started off her pupillage in 2006 in Kuala Lumpur and continued her practice in Building & Construction law in Kuala Lumpur, and then regionally as a Foreign Lawyer in Singapore. In 2012, Karen relocated back to Kuala Lumpur and has been a Partner in the Building & Construction Practice Group in a law firm specialising in this area from 2015 to December 2021. In 2022, Karen set up her own practice. Session 4

Q&A

CIPAA Adjudication

Shaun Kumar

Chief Solutions Officer,
2C Consulting Sdn Bhd

Moderator

Shaun has over 30 years of experience in the construction industry, with a career spanning Malaysia, Singapore, and Germany. He has worked in diverse capacities—as Contractor, Client, and Consultant—giving him a unique 360-degree perspective on project delivery and dispute resolution. Over the years, he has overseen major developments in healthcare, hospitality, and aviation, serving as an Owner's Representative and Project Director on high-value, complex projects. His professional journey includes leadership roles with international construction multinationals, government-linked organisations, and public-listed companies. Beyond project delivery, Shaun has built a strong reputation in dispute resolution and claims management. He is empanelled by the Asian International Arbitration Centre as a licensed Adjudicator and Mediator and is widely recognised as an accredited expert in delay and disruption claims. He has testified in multiple construction disputes before the High Courts of Malaysia as well as in domestic and international arbitrations. Drawing on his technical expertise and decades of practical experience, Shaun provides independent, reliable, and authoritative opinions on delay analysis, claims, and dispute matters, assisting tribunals, clients, and legal teams in achieving fair and just outcomes.

Session 5

Panel Discussion

Patent and Latent Defects in Construction Works - Risks and Remedies

Mr. Harbans Singh KS

*Principal,
HSKS Dispute Resolution Chambers*

Moderator

Mr. Harbans Singh KS is a Professional and Chartered Engineer. Chartered Arbitrator, Mediator, and Adjudicator. Called to the Malayan Bar in 1995, he is, at the moment, however, not in active practice as an Advocate & Solicitor. He commenced his career with the Public Works Department (JKR), Malaysia, before joining an international German consultancy practice with whom he worked locally and then in Koblenz as a designer, resident engineer and contract administrator. Later, Mr. Harbans served with a local consultancy firm in various professional capacities and presently is heading HSH Consult Sdn. Bhd and HSKS Dispute Resolution Chambers. He is a regular contributor to 'The Ingenieur', 'The Malayan Law Journal', 'The Law Review' and other publications and is the recipient of a number of awards, including IEM's Tan Sri Hj. Yusoff Prize for an outstanding Technical Paper (2001), the Cedric Barclay Award and the Chartered Institute of Arbitrators Award for the Diploma in International Commercial Arbitration examination (2003). Mr. Harbans is also the author of a series of four books entitled 'Harbans' Engineering and Construction Contracts Management', co-author of 'Construction Law in Malaysia', 'Law and Practice of Mediation' and 'The PAM Contract 2006', a contributor to 'The Malaysian Standard Precedents and Forms (Vol. N)' and is a regular speaker at courses/seminars and conferences both locally and internationally.

Mr. Soh Lih Sieng

*Founding Partner,
Contract Solutions-i*

Mr. Soh Lih Sieng is a consummate construction industry expert, having spent 31 years working for contractors, consultants and employers throughout the United Kingdom, Europe, Asia Pacific and the Middle East in engineering, construction and dispute resolution roles. Over the years, Mr. Lih Sieng has developed skills in project management, construction of major bridges and infrastructure works, airports and buildings, power plants, oil/gas construction and heavy-lift operations. Mr. Lih Sieng regularly acts as Expert Witness in court, adjudication and arbitration proceedings and has presented written and oral expert evidence in over 45 proceedings on disputes related to construction technology, defective works, contract termination, delay and extension of time, loss and expense, variations, cardinal change and contract interpretation in both domestic and international proceedings under ICC, AIAC and SIAC arbitration rules. Mr. Lih Sieng also acts as party representative and has appeared before tribunals in over 20 arbitrations / 250 statutory adjudications in Malaysia and Singapore. As of 2022, Mr. Lih Sieng has acted as a tribunal in 16 construction contract-related dispute proceedings.

Session 5

Panel Discussion

Patent and Latent Defects in Construction Works - Risks and Remedies

Sr Naz Rahim

*Director, Quantum
Rimkus*

Naz Rahim is a Registered Consultant Quantity Surveyor in Malaysia and a Chartered Surveyor (RICS), with over 20 years of experience in the construction industry. Her career spans across Southeast Asia, Qatar, and Ireland, where she has served primarily as a Professional Quantity Surveyor and Claims Specialist Consultant. Naz has represented major contractors, specialist subcontractors, developers, and legal firms in all facets of quantity surveying, contract administration, claims preparation and defence, and dispute resolution. Naz is also a practising CIPAA Adjudicator and is frequently appointed by law firms, contractors, and developers as an Expert Witness or Independent Quantum Expert in Malaysia. She has provided expert testimony in Malaysian courts on numerous occasions. In addition to her professional practice, Naz contributes to the academic field as a lecturer at higher learning institutions in Malaysia. She is also a regular speaker at industry seminars and workshops, sharing her expertise in quantity surveying, construction law, and dispute resolution.

**Sr Isacc Sunder
Rajan Packianathan**

Q&A

EOT, LD and L&E

Serene Hiew
Partner, Harold & Lam Partnership
and President, SCL Malaysia

Moderator

Serene was called to the Malaysian Bar in 2011 and is a Partner at Messrs Harold & Lam Partnership. Serene has been practicing in the areas of construction, infrastructure and engineering since being called to the Malaysian Bar. Her involvement in the dispute resolution of construction, infrastructure and engineering is primarily focused in the alternative dispute resolution i.e. adjudication and arbitration. While dispute resolution is her primary area of practice, Serene also undertakes advisory and construction project management work. In the past several years, Serene has increasingly been involved in both geotechnical substructure-related disputes and infrastructure construction projects. Serene also heads the adjudication practice at Harold & Lam Partnership and since the coming into effect of the Construction Industry Payment and Adjudication Act 2012 (CIPAA) in April 2014, she has been actively acting as counsel or client representative in CIPAA Adjudication cases. She also sits as an Adjudicator in the AIAC Panel of Adjudicators. Serene is currently the Chairman of the Malaysian Society of Construction Law and Deputy Chair of the Chartered Institute of Arbitrators, Malaysia.

Session 7

Lecture 7.1

Cross-Examining and Challenging Expert Witnesses in Arbitration

Rodney Martin
Chief Executive Officer
Charlton Martin Group

Rodney is an accomplished professional serving as the Chief Executive of the Charlton Martin Group, with a distinguished career that includes roles as Group Regional Director and Senior Vice President at two prominent contracts consultancy firms in the Asia Pacific Region. With an extensive 39 years of experience, Rodney has dedicated 28 years to senior-level roles within this region. Throughout his career, Rodney has cultivated a global perspective by working with diverse clientele across Europe, Africa, the Middle East, and India. His academic foundation includes dual qualifications in quantity surveying and law, complemented by his status as a chartered quantity surveyor. He specialises in construction contract consultancy, offering expertise in contract documentation, contractual claims management, dispute resolution, and dispute avoidance. Rodney's professional credentials extend to being a mediator, arbitrator, and adjudicator on the panel of the Asian International Arbitration Centre. He is a respected speaker known for delivering insightful perspectives within the region's professional circles. Notably, Rodney is a Fellow of the Chartered Institute of Arbitrators as well as the Malaysian and Singapore Institutes of Arbitrators, reflecting his commitment to excellence and professional standards. His extensive contributions to the field include appointments as an Expert Witness, on matters related to quantum and delay. As well as his roles as an arbitrator, mediator and adjudicator, Rodney has been a dispute adjudication board member in Malaysia, further cementing his reputation as a trusted authority in dispute resolution. Rodney has been based in Kuala Lumpur since 1997, where he has continually demonstrated exceptional leadership, and a relentless commitment to driving excellence in the field of construction contract consultancy and dispute resolution.

Lecture 7.2

Q&A

Emerging Trends in Construction Arbitration

Crystal Wong

Partner, Lee Hishammuddin Allen &
Gledhill and Chair, CI Arb Malaysia

Moderator

Crystal is a highly regarded arbitration practitioner with a strong presence across Malaysia, Singapore, and the ASEAN region, focusing on construction, engineering, energy, and infrastructure disputes. She advises major clients, including utility companies, power producers, multinationals, government-linked entities, and Chinese state-owned enterprises. Known for her expertise in both arbitration and court litigation, Crystal is frequently engaged for arbitration-related matters before Malaysia's High Court and appellate courts, allowing her to deliver strategic and practical legal solutions. As co-head of her Firm's China Desk, Crystal is a trusted legal advisor to mainland Chinese companies investing in Malaysia, a role supported by her legal training in China, fluency in Mandarin, and deep cultural understanding. She has represented independent power producers in complex arbitration cases involving energy payments, construction defects, delays, and operational issues. Crystal is a Fellow of the Chartered Institute of Arbitrators and sits on several prestigious arbitration panels, including AIAC, SIAC, and HKIAC. She also holds leadership roles in key legal committees. Her contributions to arbitration and energy law are widely recognized through numerous awards, including Malaysia Female Lawyer of the Year 2024 and recognition from Legal 500, Chambers, Benchmark Litigation, and Asialaw, establishing her as a rising leader in the field.

Session 8

Panel Discussion

Pre-Dispute Management and Effective Dispute Resolution Mechanisms for Construction Disputes

Lam Ko Luen

Partner,

Hin Loong was admitted as an Advocate & Solicitor of the High Court of Malaya in 2000. He is a Fellow of the Chartered Institute of Arbitrators (CIArb), the Singapore Institute of Arbitrators (SIArb) and the Malaysian Institute of Arbitrators (MIArb). He has more than 25 years' experience as counsel in litigation and arbitration proceedings. His area of practice primarily revolves around construction law, civil and commercial disputes. He also sits as an arbitrator and adjudicator. He was formerly a partner for 15 years in a mid-sized well-known legal firm in Kuala Lumpur which specialises in civil litigation, construction arbitration and adjudication. He was the co-head of the dispute resolution team. In 2021, he established his own firm, HL Wong, Soh & Co. with another partner, Ms Soh Jing Han. He is currently empanelled as an arbitrator and adjudicator with the Asian International Arbitration Centre ("AIAC") and the Borneo International Centre for Arbitration and Mediation ("BICAM").

Session 8

Panel Discussion

Pre-Dispute Management and Effective Dispute Resolution Mechanisms for Construction Disputes

Datuk Roger Chin

Partner,
Chin Lau Wong & Foo

Roger Chin is a legal professional with a career that spans law, business strategy, and intellectual property. From 2019 to 2023, he served as the President of the Sabah Law Society and currently holds the role of Immediate Past President. He is also a Council Member of the Borneo International Centre for Arbitration and Mediation (BICAM). Roger's academic journey took him to The University of Melbourne, Victoria, Australia, where he earned dual degrees in Law (LLB) and Commerce (BCom). Beginning his career at Accenture as a Business Analyst in the Strategy Capability Group, Roger transitioned into the legal field, eventually becoming a Partner at Chin Lau Wong & Foo in Sabah, Malaysia. He is a Barrister and Solicitor of the Supreme Court of Victoria, Australia, and a registered patent, trademark, and industrial design agent. His practice areas include dispute resolution, corporate & commercial law, and intellectual property, with a focus on fostering business growth and attracting investments to Sabah. Roger's expertise extends to roles as an Arbitrator, Adjudicator, and Mediator. He is also a member of the Malaysian Government Special Task Force, advising on the Sulu heirs arbitration claim against Malaysia as well as a member of the Sabah Government's Sabah Law Reform Advisory Council. As a columnist for The Daily Express, Sabah's largest English-language newspaper, Roger shares his insights on legal and business matters, contributing to the discourse on regional and national issues. With a passion for building businesses and a dedication to his clients, Roger Chin continues to shape the legal landscape in Sabah while promoting innovation and investment in the region.

Lilien Wong

Partner,
Shearn Delamore & Co

Lilien Wong is a Partner in one of the largest and oldest law firms in Malaysia, Shearn Delamore & Co. She holds a 1st Class LLB degree and an LLM in International Commercial Law with Distinction. Lilien is a Fellow of the Chartered Institute of Arbitrators. She is on the AIAC's Panel of Arbitrators & Mediators and has acted as an arbitrator. She has handled many complex landmark commercial disputes for clients both domestic and international in litigation and arbitration. She has been recognized in the Private Practice Arbitration Powerlist: Southeast Asia published by the Legal 500 (2022), Legal 500 Asia-Pacific (2025) as 'Next Generation Partner' in Dispute Resolution and Antitrust & Competition.

Allen Cheng

Partner,
Azman Davidson & Co.

Allen Cheng is a Partner at Messrs. Azman, Davidson & Co., specialising in construction law and dispute resolution. In practice since 2014, he has acted as counsel in arbitration, litigation, and statutory adjudication under the Construction Industry Payment and Adjudication Act 2012 (CIPAA). He is also a qualified adjudicator and a member of the Malaysian Institute of Arbitrators (MIArb), where he previously served as Honorary Secretary. Allen has advised and represented clients on major building development projects, oil and gas disputes, and signalling-related contracts, including matters involving delay, defects, payment, and variation claims. His experience spans high-value and complex disputes across Malaysia. He is known for balancing the technical aspects of construction projects with commercial realities, and for guiding clients toward effective and cost-efficient dispute resolution mechanisms.
